
Prof. Buettner/Prof. Rincke/Prof. Wrede

Seminar Public Economics 1 (Master), Summer Term 2018

Course Description:

During the seminar, participants will discuss a broad range of topics. A first set of topics address questions related to spatial and public economics (Prof. Wrede). A second set relates to different instruments of poverty alleviation and their effectiveness (Prof. Rincke). Finally, the seminar also deals with various topics in taxation and public economics (Prof. Büttner).

Organisational details:

- The seminar is jointly organized by the chairs of Prof. Buettner, Prof. Rincke, and Prof. Wrede.
- Interested students should submit the respective form to amanda.tuset.cueva@fau.de until **February 8th, 2018**. Please indicate your preferred topics. Preference will be given to the earliest submissions.
- Please note that the maximum number of participants is 10 students.
- For more details, see the Chairs' webpages.
