The Chair for Economic Policy (Prof. Rincke) is seeking applications for the position of a Student Assistant starting from April 1st, 2020.

What we are looking for:
- Candidates with a study focus on applied economics
- Interest in empirical and experimental research
- Some experience with statistical software (Stata), data handling and/or the programming of internet pages
- Availability for at least one year

What we have to offer:
- Insights into research and teaching at university level
- Contact to researchers working at the Chair
- Flexible working hours (about 8 hours per week)
- Financial compensation according to FAU-rules (Master students: 10,45€/hour; Bachelor students: 9,35€/hour)

Please send your application (cover letter, CV, certificates) to johannes.rincke@fau.de. Applications will be considered on an ongoing basis until the position is filled.
